

**Invitation to Prosper:**

**Explore Endless Opportunities and Grow Your Business in the Thriving APAC Market**

**GCC Healthcare Expansion Embraces Taiwanese Innovation**

**Taiwan: Your Premier Choice for Collaboration & Procurement**

Embark on a journey of healthcare innovation tailored for you by Taiwanese health tech and bio pharma leaders. At Healthcare+ Expo Taiwan 2023, buyers like you explored top-notch medical and digital healthcare solutions from 12 leading Taiwanese companies, including Compal, BenQ, OEP, Bionet, Tanvex, and more.

With demand soaring for preventive care and digital health tech in the GCC region, this year's expo is expanding its B2B matchmaking event. We're inviting even more vendors specializing in smart hospital solutions, diagnostics, and preventive medicine to participate.

Join us at Healthcare+ Expo from December 5th to 8th and partner with suppliers dedicated to addressing the healthcare needs of the Middle East.

 Global Medical Supply Chain

*"The Expo serves as a beautiful bridge, connecting the innovative healthcare markets of Taiwan and Saudi Arabia"*  
 -Nasser Khashan, IT Manager,  
 Abdulrehman Algozaibi G.T.C

*"We foresee promising avenues for future partnerships between Poland and Taiwan"*  
 -Arkadiusz Grądkowski, CEO, Polish  
 Chamber of Commerce for Medical

**Expo 2023:  
Where  
Global  
Influencers  
Converge**

**650**  
Exhibitors

**2,300**  
Booths

**36,500**  
Professionals

**20+**  
Countries

**50+**  
Assoc.

**110**  
Hospitals

**Join B2B Healthcare Meeting for Future Collaborations**

**20** Countries  
**77** Companies/  
 Associations  
**550** Meetings

Following our success with 550 meetings in 2023, involving 77 companies/associations from 20 countries, this year promises even greater networking opportunities and impactful discussions for connecting with key players in the healthcare sector for prospect collaboration.

**Connecting with APAC's Medtech, Biotech, and Healthcare Markets**

The Expo stands out among exhibitions of its type, fostering accelerated collaborations between the Medtech, Biotech, and Healthtech sectors. It provides a platform for showcasing cutting-edge technologies and solutions, sparking innovation, and fostering partnerships in healthcare.

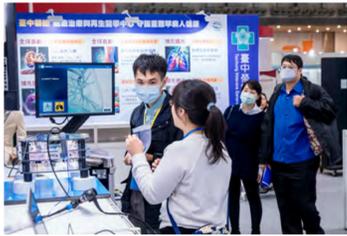

**Smart Hospital**

You will meet tech giants such as [Advantech](#), [Qisda \(BenQ\)](#) and [Quanta](#), showcasing their latest smart hospital solutions, healthcare AI platforms, telemedicine, 5G applications and medical cloud solutions. Don't miss this opportunity to witness trending medtech advancements.

**Regenerative Medicine**

Explore novel therapies including exosome therapy and cell therapy for cancer treatment, stroke, bone healing, and anti-aging remedies, while forging clinical partnerships with leading medical centers, research institutes, and biotech companies. Seize the opportunity to meet with [BIONET](#), [Ever Supreme](#), [Gwo Xi](#), [StemCyte](#), and [UnicoCell](#).

**Medical Devices**

Discover the best AI-ready medical panels, pioneering portable ultrasound devices, surgical robots and instruments, and next-generation radiology technology. Meet sustainable medical device developers and innovators from [AUO](#), [CHC](#), Delta, [HIWIN](#), [InnoCare](#), Onyx, Roche and [Varian](#).

**Precision Diagnostics**

Explore a robust supply chain encompassing whole genome sequencing, pathogenomics, NIPS, cancer genomics, and bioinformatics, as well as automated diagnosis systems, bio-materials, and high-quality development and manufacturing services presented by [APG](#), [Applied BioCode](#), [BioOptic](#), [GBC](#), and [Genomics](#).

**Digital Health**

Explore platforms powered by digital technologies, medical software, wireless and mobile gadgets, and AIoT-connected equipment and systems that expedite hospital digital transformation presented by [Asus](#), [Acer](#), Intel, Inventec, Microsoft, Oracle, [Wistron](#) and more.
