

# ASEAN-KOREA BIOHEALTH NETWORKING DAY 2024 MOVING TOWARD ASIA : A NEW ERA IN GLOBAL BIOHEALTH

2024.09.30 | CHA BIO COMPLEX

## About

To strengthen the academic and business cooperation with Asia, the ASEAN-KOREA Biohealth Networking Day 2024, **'Moving Toward Asia : A New Era in Global BioHealth'** will be held on September 30, 2024, in Cha Bio Complex.

The event will be composed of industry-academic researchers from universities, research institutes, hospitals, and major industries across Asia. Officials from the Korea Biohealth field will be present with a networking position for cooperation in the field of Bio-health. This five-hour special meeting will be a meaningful step toward scientific advancement and development through a strong, strategic collaboration between the regions.
